changes lives.

Adult Residential Care Home (ARCH)

(HLTH5110)

*45 Hrs (3 weeks) | Cost: \$775

A little assistance goes a long way when it comes to caring for aging loved ones. Whether you'd like to provide better care to those near to you, or care for others as an occupation, our ARCH program will provide the training you need.

This short course covers basic knowledge about geriatric diseases, preparation of special diets, fulfillment of existing orders and therapies, and behavior management. You'll also learn basics of simple accounting and Department of Health rules and regulations governing ARCH.

With our training you'll impact the quality of life for our aging population at home, or in a care home.

**3 semester hour equivalent*
