(HLTH5600)

***150 Hrs (12 weeks) | Cost: \$1,800**

Those seeking employment in healthcare don't have to work in patient care. Pharmacy Technicians are in high demand, and it's a great first step toward exploring other positions within the industry.

Certification isn't always required for hiring, but your potential for employment and earning increase if you have it. As an approved **Pharmacy Technician Certification Board (PTCB®)** advocate, we prepare you for the nationally recognized **Certified Pharmacy Technician (CPhT)** certification (the gold standard for Pharmacy Techs).

Working as a Pharmacy Technician might prove to be the career you've been searching for.
